

Theatre Alibi

The children all really enjoyed their visit from Janet the Astronaut on Tuesday. Janet told them how it is to be out in space for such a long time. Janet mentioned that she can receive emails whilst out in space so the children in Class 2 have been writing to her.

Attendance

Please let the school know either in writing, email or telephone in the following instances:

- When a child is absent, please contact the school by 9.30am on the first day of absence
- When a child is not to take part in any activity for medical or other reasons
 - When a child is to be late for school or has to leave early
- If the home address, telephone number or emergency telephone number has changed.

It is important that valid reasons for a child's absence are notified to the school.

Unauthorised absences can, in some circumstances be counted as a truancy which has to be reported to the Education Welfare Services of the LA. If you plan on taking your child out of school, you will need to complete an absence request form.

Please can we ask, respectfully, when dropping off or collecting your child/ren from the school gates - if you could please wear a face covering. Some staff will also be wearing face coverings when collecting children from the gate. With the current infection rates rising and second lockdown put into place, we feel it would be a sensible precaution to take to protect our community. Thank you for your co-operation and understanding.

Children will need to come to school in their PE kit.

Please help us to support The Royal British Legion's Poppy Appeal again this year.

Pupils will be able to buy items from the collection, and we will split the box so that there is a selection for each bubble.

Please do send in some money with your child if they would like to buy something.
