Well done to the Year 4 children who were exceptionally well behaved at Heathcoat Primary. We visited their ICT suite to complete the new Mathematics Tables Check. We will receive their results the first week of July which will then be passed to parents.

Today some of our year 6 children have gone down to St Georges church hall as part of Tiverton Parliament day to discuss how we can improve Tiverton town. We look forward to hearing what their ideas were.

At Rackenfords we admire the children's sense of imagination and creativity. This week some of the children have been creating perfumes and potions by crushing up flowers and leaves and adding water.

Next week is arts week – there is lots of exciting events happening such as Big Foot Drama, Victoria Vaux leading some art sessions, clay, acrylics, weaving, junk modelling archery etc. If anyone has spare plastic bottles, please feel free to bring them in.

We recommend that children come to school for the duration of week in old clothes that you do not mind getting messy. Or they could bring aprons/large tops that they can wear over uniform to protect it from becoming messy.

On the Friday, 28th June, we will be having an open afternoon to show what the children have been working on throughout art week. Doors will be open from 2.30pm and when you have finished, you are welcome to sign your children out early.

Teas and coffees will be available, we will also be holding a cake sale, so be sure to bring some money along with you. Cakes donations would also be greatly appreciated. These can be dropped into the office on Friday morning.

Afterschool clubs will not be running throughout enrichment week. This will include Homework club and Multisport.

On Friday 19th July we are going to be having a picnic at the park from 4pm onwards, everyone is welcome to come and join us! (Weather permitting!)

Come and join us for our sports day on Wednesday 10th July, fingers crossed the weather stays dry for us! Sports day will kick off at 1.15pm .
