It was lovely to see lots of parents at our celebration assembly on Monday. This week has flown by! The school is a very busy place with all the clubs that are now underway.

Next week we are looking forward to the planetarium visit on Thursday, if your child would like to dress up for this then they are more than welcome.

Trombone Workshop

On Thursday, children in Class 3 enrolled onto a trombone workshop. They will be learning how to play for 10 weeks, which will be followed by a class performance at the end of term.

Here is a photo of the children with their instruments – we can't wait to see how they get on!

Exmoor Zoo visit

On **Wednesday 13th February**, we have booked for the whole school to visit Exmoor Zoo which ties in with this term's topic of 'take a walk on the wild side'.

With the success of the last one, we will again be having a big breakfast before we head off on the trip! Letters will be sent home soon.

Bag2School

Bag2School has been booked to do a clothes and shoe collection from school at the end of January 2019. They collect good quality second hand clothing, shoes, soft toys etc and give us money for it.

If you are thinking of having a good clear out, please can you put any of these items to one side and bring them into school when requested in January.

If you need more bags then please do ask for some at the office.

Many thanks in advance!

Storytelling

Today the children were treated to a storytelling session with Chloe from the Midnight Storytellers, who will be celebrating 20 years as a full time storyteller in November.

Chloe told enchanting folktales and legends about dragons from Northumberland to China, including hot tips about dragon management.

Class 3 have been learning about different myths including dragons so they all had many questions!
