Sickness

If your child has Diarrhoea and/or sickness they should not return to school for 48 hours. If this happens at school, we will ask you or your emergency contact to take your child home. We appreciate that this is inconvenient in many cases, and you may not believe your child is ill, but you will appreciate that we do this in all cases and it should reduce the risk of infection for all children in school. As an example, if your child is sick at lunchtime on a Tuesday, they should not return to school until after lunch on Thursday, provided there have not been any further episodes of vomiting.

Why Do We Play?

Next Thursday 3rd October from 2.30pm, Hannah Odonnell – tutor and expert in primary practice and the importance of play, will be visiting us to talk with parents about the importance and influence play has in physical development in writing, fine gross motor skills and brain development.

Please do come along and join us.

Please could we encourage all children to have a school dinner on Thursday 3rd October, even if this is the only day that they have a school dinner. The menu for this day is Salmon & Sweet Chili Noodles, Cheese Pizza or Jacket Potato.

We've had three weeks of our online learning journal, Family, now. We are all loving it and hoping you are too! If you have any questions don't forget to come in and ask Gemma.
