More about Staff

Hello, my name is Sharon Hagley. I have been working at Rackenford Primary School for 25 years ! How time has flown. I have 3 children and they have all been taught here. I was lucky enough to teach my own children and was known to them at school as Mrs Mummy ! My eldest is now studying neuroscience at UCL in London. My daughter is at college and my youngest is enjoying his first year at Tiverton High School.

I live in the village and am often seen walking my little yorkie. I really think this is a lovely community and enjoy being part of the school and village life.

Half Term Holiday

Wow what a half term! Although a short one, we are sure you will agree we have jam packed it full.

Hope you all have an enjoyable and restful break and look forward to seeing everybody on Monday 19th February.
