Uniform

We understand that at this time of the year children's uniforms are becoming too small, worn out etc. I appreciate that this is not the ideal time to be purchasing new items of uniform. We have however some old stock of new uniform items for £5 each and a fair amount of second hand items at £1 each if you need to replace an item of uniform.

Please can you ensure that all items are named.

We are in the process of setting up a direct ordering system with Tesco School Uniform where you will be able to order all items available in our school colours direct from Tesco.
