

Class R have been reading *The Rainbow Fish* and discussing the book's key themes about being kind and helping each other. They made 3D fish and also started making clay Easter models which will be hung on the tree.

Class 1 have been learning about plants and thinking about what they need to grow. They had fun planting some cress seeds.

Class 2 have made classification keys in science this week.

Class 3 have been learning about collective nouns, specifically the names of groups of animals.

Parent Governor Vacancy

We currently have a vacancy for a parent governor to join our federation governing body.

Parent governors are valued members of the governor team and play an important role; the governing body works together as a group, meeting at least once every half term. Together they are responsible for the strategic direction of the school, promoting high standards of educational achievement and ensuring our resources are used to maximum impact.

Life as a governor is interesting and varied and we feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

If you would like to stand for election, please complete and sign the nomination form attached with this email and return to the school office no later than **12 noon on 30th March 2021**.
