

This week Ellie and Bobby brought in one of their lambs to show to each class. The pupils all had a chance to hold, stroke and ask questions about her.

Awards

Learning Leaves

Class R – Olly

Class 1 – Tiger

Class 2 – Betsy & Isabella

Class 3 – Eleanor

House Points

Class R – Bobby & Oliver

Class 1 – Harry

Class 2 – Lucy

Class 3 – Michaela

Class R have continued to learn about summer and have been creating their own suns today.

We are on the lookout for patio sets – benches, table and chairs, to develop our seating area in the garden of hope and for around the playground. If you have anything that you are thinking of throwing out, we would be happy to take these on.

Online Safety

To children - online friends are real friends. Online life is real life. There's no distinction.

This guide 'Your child's online world' can help you understand your child's life online and keep them safe.

For advice and support on setting up parental controls, adjusting privacy settings, understanding social networks and more, visit nspcc.org.uk/onlinesafety or call 0808 800 5002.

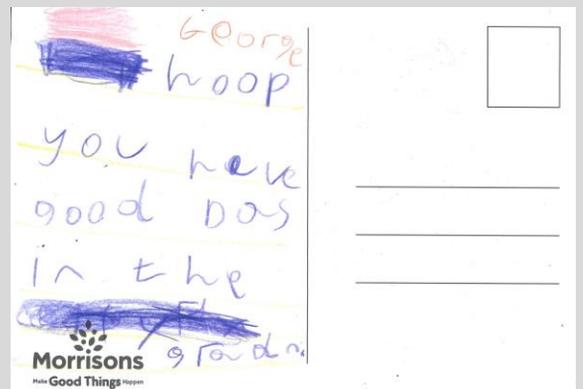

Little Angels

The children have had lots of creative fun these last few weeks learning about our senses exploring textures, tastes and smells!

It's wonderful to see the children's confidence back to explore the world around them again!

The children have been writing postcards of hope, which will then be put into the Morrison's food bank parcels and given out to those in need within our community.

We would also like to thank Morrison's for their donation of plants and garden tools for our Garden of Hope.

16 June

Science Day

30 June

Transition/Move up morning

WC 12 July

End of term reports

23 July

Leavers assembly
Last day of term

8 September

First day Autumn term

In Maths, class 1 have been learning about measuring. They have been measuring different objects around the classroom and even measuring themselves.

On Evacuation Day, firstly we had to take a register so that we knew all evacuees were present. We had to bring in a suitcase or a box with a brush, toothbrush, a book, a bar of soap, a toy and some photos and food parcels. We also had previously made luggage tags and ration books. On our daily mile, we pretended that we were walking to the train station to leave for the countryside which would have taken seven hours!

I really liked going to school and it being different. I would have felt really scared and worried as an evacuee.

- Eleanor Maddocks Y5
