A massive thank you to the PTFA who paid for the science workshops on Wednesday. Each class took part in a different workshop - Class R had a workshop about Camouflage, Class 1 done CSI Fingerprints, Class 2 looked at what happened when different chemicals get burnt and how this might be used to make fireworks and Class 3 had a rocket workshop.

PTFA

Summer fun day news!

Thank you to all of you who filled out the survey. We had a great response rate and the overwhelming feeling is that we should go ahead with the event. We did have one request for a unicorn which caused much amusement! We hope that we will satisfy any concerns by our extra risk assessment and extra safety measures which will be in place on the day. We feel we can still run a much needed fun day for our school community. However if you don't feel happy with it, there will be an option for your child/ren to opt out and we will organise something fun for them to do in school instead. We will be sending out a letter very soon to let you know more details.

Science Day

We hope all the children enjoyed the science day. Thank you for all you fundraising support which enabled the PTFA to pay for this experience for the children.

New to you sale

Wednesday 30th June 3.45-5pm on the school playground - we would be very grateful for any donations of clothes for the sale. We will be operating a one way system so please enter through the side gate (the one class 2 and 3 use in the mornings and afternoons) and the exit will be via the churchy yard. Any donations of cake for us to sell would also be much appreciated.
