Last Friday Chris Holland the story teller visited school. It was a great day and he has inspired the children in class two to do some fantastic story telling themselves this week

On Tuesday a group of year 3/4 children went down to Tiverton High School to take part in a football tournament. It was wet and cold but Team Rackenfords showed such determination and brilliant teamwork the weather didn't seem to matter! We are very proud of you all, well done.

This week the school council met with Rev Steph Jeffs to discuss creating a special prayer space/sanctuary in the church to be used by pupils, families, staff and the community.

Michaela Bundy, our amazing administrator is leaving us on 13th October. We are so sad that she is leaving RPS as she is such an integral part of the inner workings of our school and of course a wonderful colleague. Since joining us she has put in systems and practices which have streamlined and improved the administration of the school. She is so special and loved by staff and children and their families. I am sure you will join me in wishing Michaela all our very best wishes for her new adventures.

Little Angels

The children have had a focus this week on kindness, working together and building new relationships as our curriculum was based on the 'Guess how much I love you' story
