Wednesday 20th July 2022

School is closed on
Monday 4th July as it is
a bank holiday in lieu
of the Queen's Jubilee.

Tuesday 5th July
Planet People are in for the
morning and we may be practicing
for Sports Day in the afternoon.
Please bring your child to school
wearing their PE kit just in case.

Teddy's sleepover! Highlighting homelessness

What a night our teddies had and we raised lots of money for CHAT, thank you to everyone who donated.

We also need to thank Holly, Benjie and Daisy for putting the teddies tent up (and down).

Well done Rackenfords Primary School!

Clubs w/c Tuesday 05/07/2022

- There is no more **Latin** After School Club. This will hopefully continue in the new academic year.
- **French** After School Club Tuesday
- There is no more Tuesday **Maths** Club.
- There is no more Wednesday **Ukulele** Club .
- Thursday **Tennis** After School Club is on.
- Friday **Multi-games** After School Club is on.

We also have free sports clubs Thursday and Friday lunchtime.

Club monies owing?

Please ensure you have paid all Club monies by the end of next week, this will allow admin to focus on getting everything set up for the 2022-2023 academic year.

Many thanks for your support. If you are unsure if, or how much is owing, please email admin@ and they can give you an up to date balance or detailed breakdown.

We have a vacancy for a Mealtime Assistant, the position is available from September, 12-1pm Monday to Friday.

Interested?

Contact admin@

Let others know if you think they may be interested...

Many thanks.

Moving up Morning!

On Wednesday 6th July the children will have an opportunity to meet their new class teacher for September. The children will have the opportunity to spend the morning with the other children who will be in their class, as well as with their teacher for next year (where possible). The children will all arrive to school as normal and go to their current classroom. After settling in and completing the register, children will be taken to the classroom of their new teacher as a new class until lunchtime (approx.)

Little Angel's News

'The Amazing Life Cycle of Plants' by Kay Barnham and illustrated by Maddie Frost has been our learning focus this week. The children have been planting tomato plants and learning about safety of storing plant food, what they need to grow and what photosynthesis is. The children have loved exploring nature through walks, messy play and using their senses to explore this topic deeper. This is a vital part of our curriculum to ensure the next generation help look after the life cycles to develop a better world.
