Little Angels

Our focus this week has been on the diversity of families. We have based our week on the wonderful story 'There's an ouch in my pouch' by Jeanne Wills and Gary Parsons. The children have explored this topic by making a large collage of family members, wearing yellow and exploring how to support mental health, looking at family traditions, talking about family pets and even enjoyed a 'nursery family' disco!

Welcome

Following a rigorous interview process we would like to welcome Melissa Weatherley who will be joining the team as our new administrator. We are very happy that she will be filling this incredibly important role.
