Electronic payments

We are very excited to announce that the school will soon be moving to an electronic payment system. We are just waiting on the company organising it to finalise a few parts and then it will go 'live.' When this happens you will get all the information you need to use it.

Little Angels

This week the children have been working from the 'Three Little Pigs by Heather Amery and Stephen Cartwright'. They have been exploring families and homes, looking at animals habitats, exploring sensory play, designing homes for themselves and bugs, cooking cakes and having walks around the village looking at the different types of houses people live in. Have a wonderful week half term!

Year 6

A reminder to all year 6 parents that the deadline for secondary admissions is Monday 31st October.

Parents evening

At the end of the autumn term we will be having a parents evening to share how your children are doing in school and to celebrate their successes. If you want to talk to your child's teacher about their progress please wait until this opportunity to do so. The exact date will be shared in the first newsletter after half term.

Congratulations

Thank you to Ava for sharing her achievements in golf! This was a new one and it was very interesting to hear her explain what she has been learning and achieving. Well done Ava!
