Little Angels

This week we have had a focus on safeguarding. Using the book *My Underpants rule* by Kate & Rod Power, we have been out on road safety awareness, promoting my voice matters with feelings and emotional games, learning about our bodies, speaking up and trust. It has been a lovely week of building relationships and learning about keeping ourselves safe'

Menu Changes

Wednesday 27th September Jane will be offering Jacket Potato's.

Wednesday 4th October

Census day we would like to encourage as many children as possible to have a lovely hot meal, so we will be having brunch instead of a roast.

School Council

Last week we appointed our School Council. Each child was voted for by their Class.

Congratulations to:

Darcey, Seb, Izzy, Margaux, Bobby and Ivy.

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...
